

BEGINNING EXPERIENCE® VISION

A hurting people, healed, transformed, and free again to love themselves, others, and God.

BEGINNING EXPERIENCE® MISSION STATEMENT

The purpose of the *Beginning Experience* ministry is to facilitate the grief resolution process for [separated, divorced and widowed persons, and children of these losses](#), thereby enabling them to again love themselves, others and God.

We accomplish the purpose by offering quality, copyrighted, grief resolution programs presented by trained peer ministers. These programs are designed to move grieving people through a transformational process to a new beginning in their lives.

We believe that through resolving the grief of a significant loss:

- Individuals participate in the death and resurrection of Christ as he lives in the world today;
- Those working through this experience can effectively walk with others for whom the experience is new and hard; and that
- The invitation to recover offers an opportunity for transforming one's life, and for freeing individuals to love self, others and God in new and deeper ways.
