

Prayer for Beginning Experience

We thank you and praise you, God, Father, Son and Holy Spirit for the gift of the Beginning Experience® ministry, entrusted to its founders Sister Josephine and Jo Lamia, and treasured and nurtured by all generations of teams down through its history.

We thank you and praise you for this little mustard seed now full grown and flourishing in so many parts of the world. Bless our International Board and all the local teams throughout the world.

Bless all of us who work in your vineyard for Beginning Experience® participants.

Give us to drink of your spirit of inspiration and give us the energy to follow this inspiration in your ministry. Send your Holy Spirit to heal our brokenness and our errors. Direct us on our journey to do your will.

Bless us with abundance.
