Celebrating the Vision in a Time of Change

Many of you have known Sr. Josephine personally for many years and have many fond recollections of time you spent with her and personal conversations you had with her. Regardless of whether you have met her in person, she has forever imprinted herself on each of us through the beloved Beginning Experience ministry. Each of us has a unique and powerful way that she touched our lives.

As we prepare ourselves for news about Sr. Josephine, we take time to reflect on just how the Beginning Experience ministry has touched our lives. You may want to journal your feelings and share them. Let us reach out to others in our wonderful Beginning Experience family and commit to continuing Sr. Josephine's legacy by reaching out to the broken-hearted.

BEGINNING EXPERIENCE® NEWS

Meanwhile, we are using technology more and more each day to help spread our message to as many people as possible. One such way is through Facebook and the Internet. Please like our Facebook page at Beginning Experience International Ministry, Inc.

Also, you will want to check out the amazing video that members of the Young People's Beginning Experience team have created. They are using it to help raise money to get to New Orleans.

Please help the Young People's team members get to New Orleans by contributing on their fundraising site at

<http://www.razoo.com/story/Beginning-Experience-Young-People-S-Program-At-Rosaryville-Louisiana>

Take time to look at the video these young people have created! Then, share it on Facebook or by sending the link to people via email.

Thank you, everyone, for all that you have done and continue to do to celebrate the incredible vision Sr. Josephine had when creating this ministry: that hurting people love themselves, others, and God again. He is Risen, Alleluia, Alleluia !
